Re: Congratulations on your election as President of the European Union of Jewish Students

Dear Avital,

I am thrilled to be congratulating you on your election as President of the European Union of Jewish Students.

I send my best wishes for continued success in the accomplishment of your important mission.

I would like to let you know that you have our full support and you will be able to count on our help for all matters related to fighting against antisemitism, advocacy towards Israel and preserving the Jewish culture and memory.

Best regards,

Serge Dahan,
President
