Re: Congratulations on your election as Prime Minister of the State of Israel

Dear Mr. Prime Minister,

I am writing to you in the capacity of being the president of B'nai B'rith Europe, the oldest Jewish organisation devoted to combat antisemitism, racism and to promote an inclusive society. B'nai B'rith Europe is represented in 25 countries across the continent and is also present in Belgium.

I would like to congratulate you on your election as Prime Minister of the State of Israel. I send my best wishes for continued success in the accomplishment of your important mission.

The challenges Israel faces are always immense, but perhaps never more than today. The new government's formation demonstrates the strength and resilience of Israeli democracy, which has flourished through war and peace for more than seven decades. As we have witnessed, Israelis have always risen to challenges and threats with determination, creativity, and courage. Please be sure that you can count on the whole of B'nai B'rith Europe to carry out useful actions for the defence and promotion of Israel's image, the defence of the Jewish communities and the fight against antisemitism.

Respectfully yours,

Serge Dahan,
President
B'nai B'rith Europe
